

## **WayMaker Immigration Services Inc - Client Communication's Agreement**

### **Email Communication:**

Please note that we have an email send policy that limits the amount of sent emails to 15 sends. Additional email sends will result in \$1 per email added to your final invoice. This is to keep our chats with you efficient, organized and to provide you with the best possible service.

Please ensure you only use the email thread (Your Name : Pre-Assessment).

### **Phone Communication:**

Your application package includes (2) 15 minute follow up phone discussions with your IRCC. You may choose to use these phone calls at any point from now up until you agree for us to submit your completed application to the Government of Canada. The coupon codes cannot be shared or used after you have agreed to your "ready for submission email". Upon completing this form you will receive your coupon codes that can be used to book your follow up discussions.

### **Whats App & Other Communication Platforms:**

Please note that our Whats App, Instagram & Facebook accounts are unmonitored business pages and you may not receive a response. For all inquiries, please use the above email and phone communication agreements to ensure you are receiving the best possible service.
